Requesting sanction for the appointment of a Compounder on Rs 10/- per mensem to the Thyamagundal dispensary.

The Hospl Asst of Helamangala visits Thyamagundu twice a week & receives an allowance of Rs 10/- per mensem from the Municipal funds of the latter place (Sl 21). Similar visits by the Hospl Assts of L.F. Dispensaries on similar allowances have been sanctioned for several other places (Sls 19. 25 &c). No Compounders have, however, been provided for any of these. It is not clear why the Senior Surgeon now recommends the employment of one for Thyamagundu, ~~which is a station, and he says~~ ~~is a station~~

No. 3422
Dated. 6/6/98

Sir,

With reference to your docket No. I364I / I4492 dated Ist June/99 I have the honor to state that Thyamagundalu is one of the places where the formation of dispensaries was ordered to be taken up under the Proceedings of Government No. I440-8 / L.F.60-95 dated 28th July I896, but delayed owing to the paucity of Hospital Assistants to take charge of them.

I have however considered necessary that till such time as may be convenient for us to establish a regular dispensary at Thyamagundlu to appoint (of course if the Government sanction the appointment) a separate but competent Compounder on a higher rate of pay viz. Rs. IO/- per mensem, so that he may remain always on the spot and be available for work during the absence of the Hospital Assistant in the treatment of ordinary ailments in addition to his legitimate work as Compounder when the Hospital Assistant visits the station.

It will be remembered that the place in question is a Municipal town of some importance containing larger population than any of those enumerated in the docket under reference.

I have the honor to be,

Sir,

Your most obedient servant,

Lieut.-Col., I.M.S.,
Senior Surgeon & Sanitary Commissioner
Mysore Government.

higher rate of pay, viz Rs 10

in addition to his legitimate

Order thereon: 1—3 dt 11-7-99. L 1
Lt. 144-92

Under the circumstances
reported, Govt are pleased
to sanction the entertainment
as a temporary measure, of a
Compounder on a salary of
Rs 10 per mensem for the
Tyamagondlu Municipality.

2. The President's proposal
to meet the charge from the
District Funds of Bangalore
cannot be sanctioned. The
designation of the Hospital
Assistant to Tyamagondlu

was sanctioned as the Municipal Board agreed to bear the charge and the pay of the Compounder now required is considered a proper charge upon these funds. The President is therefore requested to make due provision for the charge in the Municipal budget of Tyamagondlu for 1899–1900
